Enclosure

According to information received from officials of the Government of the Islamic Republic of Iran, United States warships positioned in the Sea of Oman and the Persian Gulf have created a nuisance for Iranian sea-patrolling aircraft and helicopters on the following dates and hours:

1. On 19 May 1994 at 1330 hours, a United States warship at the position of N2820 and E5024 warned the pilot of an Iranian sea-patrolling aircraft, whose position was N2820 and E5029, not to get closer to the warship.
2. On 31 May 1994 at 1750 hours, a United States warship warned an Iranian sea-patrolling helicopter, whose position was N2830 and E5040.
3. On 2 June 1994 at 1040 hours, a United States warship at the position of N2610 and E5435 warned the pilot of an Iranian sea-patrolling aircraft, whose position was N2545 and E5500.

The Government of the Islamic Republic of Iran protests these illegal activities by the Government of the United States, and calls for an end to such actions.
